

International Children's Charity

The Blueberry Children's Foundation is a nonprofit extension of the Blueberry enterprise. While other entities within the Blueberry structure focus on character licensing, and profit making ventures, the Blueberry Children's Foundation is concerned about better health, safety, and education for children around the world.

The Blueberry children's Foundation is actively engaged in many humanitarian projects providing food, clothing, fresh water, and shelter for orphaned and needy children.

The Blueberry Children's Foundation has provided free child safety educational material to schools and various children's organizations since 1994. Fire Safety, Traffic Safety, Water Safety, Personal Safety, and Home & Environment Safety are all focal points of the Blueberry Children's Foundation. Blueberry makes safety education and entertaining for kids.

The Blueberry Children's Foundation is a 501(c)(3) nonprofit. You can help promote better health, safety, and education for children at home and around the world.
